

Payer Beware

When paying your TMLP bill online please use the official TMLP bill pay system accessible from our website, www.TMLP.com

Click on the “login” button in the yellow box on the right hand side of the page that says “View & Pay Your Bill Online.” This button will take you to the TMLP Customer Portal on the Paymentus website. Paymentus is the **only** official TMLP payment processing website.

Beware of other sites that offer online bill pay for TMLP as they not only charge you a fee for making payments, but the time it takes to transfer the money to TMLP may prevent you from receiving your prompt payment discount!

Look before you click. Make sure you are on the official TMLP website to pay your bill. You can even access this from your mobile phone - go to www.TMLP.com and select bill payment.

If you are ever unsure, call TMLP at 508.824.6976 and we can help you over the phone.
