

**Taunton Municipal Lighting Plant**  
**Next Drive \$450 Electric Car Rebate Application**  
**For TMLP Customers**

**Required Documents Application Directions**

To receive a \$450 rebate, you must:

- (1) Fill out all fields of form. Your application will be returned if any fields are empty.
- (2) Provide copy of an executed vehicle purchase agreement.
- (3) Provide copy of vehicle registration. Address on registration must match the TMLP service address associated with the TMLP account number on this form. (Name of vehicle registration doesn't need to match TMLP accountholder's name.)
- (4) Vehicle must be registered to an individual (not a business).
- (5) *(For used electric cars only)* To ensure that the car you purchase has a battery that's in good condition, you must submit a photo of dash display as proof of battery capacity/range; vehicle must retain at least 70% of original rated battery capacity, or if not determinable, at least 70% of original EPA rated All-Electric Range (AER) when fully charged. For more information and assistance, email [ev@ene.org](mailto:ev@ene.org).

**Program Eligibility**

- (1) Only purchases of new and used OEM plug-in electric light duty, highway capable passenger vehicles are eligible for a rebate. (Fuel cell vehicles, electric bikes, electric motorcycles, electric scooters, neighborhood vehicles or conversion or hobbyist EVs are not eligible.)
- (2) Customer must have an active, residential electricity account with TMLP.
- (3) The TMLP electric account must be at least 6 months old with no balance or arrears on any TMLP account for 6 months.
- (4) Vehicle must be purchased after March 5, 2019. Maximum 2 rebates per household.
- (5) Vehicle has had no more than two previous owners, and therefore not reached the maximum of two rebates associated with the vehicle.
- (6) Rebates will be issued as credit to customer's active TMLP account. Allow 8-10 weeks for processing.
- (7) Rebates will be issued until funding runs out.
